R. 120 et seq.; and the Export Administration Act, 50 U.S.C. app. 2401-2420, including the Export Administration Regulations 15 C.F.R, including the requirement for obtaining any export license, if applicable. However, the Supplier may request that no further payments be made until the updated EFT information is implemented by the payment office. If such suspension would result in a late payment, the Supplier’s request for suspension shall extend the due date for payment by the number of days of the suspension.

If an uncompleted or erroneous transfer occurs because the Buyer used the Supplier EFT information incorrectly, the Buyer remains responsible for-

- Making a correct payment;
- Recovering any erroneously directed funds.

Personnel supplied by Supplier hereunder shall be deemed employees of Supplier and shall not for any purposes be considered employees or agents of Buyer. Supplier assumes full responsibility for the actions and supervision of such personnel while performing services under this Purchase order. Buyer assumes no liability for Supplier personnel.

2. Supplier shall inform Buyer if a former employee of Buyer will be assigned Work under this Purchase order, and any such assignment shall be subject to Buyer approval.

3. Nothing contained in this Purchase Order shall be construed as granting to Supplier or any personnel of Supplier rights under any benefit plan of Buyer or its parent.

4. All persons, property, and vehicles entering or leaving Buyer’s or Government’s premises are subject to search.

5. Supplier will promptly notify Buyer and provide a report of any accidents or security incidents involving loss of or misuse or damage to Buyer’s or Government’s intellectual or physical assets, and all physical altercations, assaults, or harassment involving Seller’s personnel performing work under this Purchase Order.

Buyer may periodically audit Supplier’s data residing on Buyer or Government’s information assets.

7. Supplier shall indemnify and hold harmless Buyer from and against any actual or alleged liability, loss, costs, damages, fees of attorneys, and other expenses which Buyer may sustain or incur in consequence of (i) Supplier’s failure to pay any employee for the Work rendered under this Purchase Order, or (ii) any claims made by Supplier’s personnel against Buyer.
8. The Supplier will verify all Purchase Order workers that it provides to BMPC are authorized to work in the United States.

Indemnity under this purchase order shall continue in full force throughout the term of this purchase order.

**DISPUTES**

Supplier shall not be entitled to claim and BMPC shall not be liable to Supplier or its Suppliers or Suppliers of any tier in tort (including negligence), or purchase order except as specifically provided in this purchase order.

Any claim arising out of or attributable to the interpretation or performance of this subcontract which cannot be resolved by negotiation shall be considered a dispute within the meaning of this clause.

If for any reason Supplier and BMPC are unable to resolve a claim for an adjustment, Supplier or BMPC shall notify the other party in writing that a dispute exists and request or provide a final determination regarding the claim. Any such request by Supplier shall clearly reference this clause and shall summarize the facts in dispute and Supplier’s proposed resolution of the dispute.

BMPC shall, within sixty (60) calendar days of any request by Supplier, provide a written final determination setting forth the contractual basis for its decision and defining what purchase order adjustments it considers equitable. Upon Supplier’s written acceptance of BMPC’s determination the purchase order will be modified and the determination implemented accordingly.

If BMPC’s final determination is not accepted by Supplier, the matter shall, within thirty (30) calendar days, be referred to senior executives of the parties who shall have designated authority to settle the dispute. The parties shall promptly prepare and exchange memoranda stating the issues in dispute and their respective positions, summarizing the negotiations that have taken place and attaching relevant documents.

The senior executives will meet for negotiations at a mutually agreed time and place. If the matter has not been resolved within thirty (30) days of the commencement of such negotiations, the parties agree to consider resolution of the dispute through some form of Alternative Dispute Resolution (ADR) process which is mutually acceptable to the parties.

Should the parties agree to pursue an ADR process each party will be responsible for its own expenses incurred to resolve the dispute during the ADR process.

If the parties do not agree to an ADR process or are unable to resolve the dispute through ADR, either party shall then have the right to pursue any legal remedy consistent with other terms of the purchase order.

Pending final resolution of any performance issue, request for equitable adjustment, claim or dispute regarding this purchase order, the Supplier shall proceed diligently with the performance of this purchase order.
